From

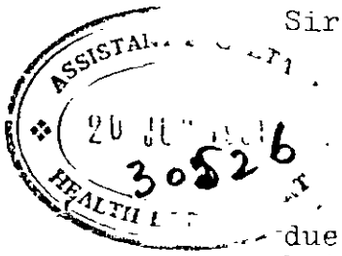
Dr.K.Vasudeva Rao, M.D. F.R.C.P. (Edin.) T.D.D. W[illegible]les.,
Director of Medical Services, Madras.

To

The Secretary to Government Health Department, Madras.

Ref:67223-G2/50 d/16-6-1951.

Sir,



Sub:-Rural Medical Practitioners at Kota and Punjalakatte South Kanara District--Payment of Subsidy bills.

Two subsidy bills for the payment of arrears of subsidy due to the Rural Medical Practitioners at Kota a d Punjalakatta for the period from 1-1-47 to 31-9-47 were countersigned and forwarded to the Treasury Officer Mangalore by the District Medical Officer South Kanara. But they were reported not traceable at the Treasury. The District Medical Officer accordingly prepared fresh bills and forwarded them to Accountant General for preaudit and payment: But the Accountant-General in his letter No.T7.B.Medl.Rural 537 dated 23-8-50 copy enclosed requires the sanction of Government. The Subsidy bills together with a certificate of non-payment of subsidy obtained from the Treasury Officer Mangalore dated 19-3-51 are also forwarded herewith.

The delay in claiming the payment was due to some mishap in transit and not due to the fault of the Rural Medical Practitioners.

It is requested that the Government will be pleased to authorise the Accountant-General to investigate the claim and pass the bills for payment.

Yours faithfully,

chr/16-6.

For Director of Medical Services,
Madras.

Copy of Accountant-General's letter No.T7.B.Medl.Rural 537 dated 23rd August 1950.

Ref:-Your No.67223-M/50 dated 21-7-1950.

The bills are returned herewith unpassed, with enclosures.

Sanction of Government is necessary on claims which are more than 3 years old (see also Article 54 of M.F.C. Volume-I)

In respect of bills sent to the treasury but lost in transit before payment, a certificate to the effect that no payment on the adjustment bills was made should be obtained from the Sub Treasury Officer, concerned duly countersigned by the Treasury Officer and attached to the bill. This certificate may now be obtained and attached to the bill.

It has not been stated in the bill how the arrear amounts have been arrived at. It is therefore requested

p.t o.

requested that full details of the amounts due each month, the amount already drawn and the balance now to be paid may be prepared in a statement form and attached to the bill. Copies of orders of competent authority sanctioning the enhanced subsidy may also be furnished. It is not clear how the same amount of arrear subsidy is claimed for both the Rural Medical Practitioner and the midwife. Please elucidate.

A reference in this connection is also invited to article 311 of M.F.C. Volume I and it is requested that it may be examined if the claim can be treated as time barred. If not a certificate to the effect that the claim is not time barred may kindly be attached.
